

# Energy Saving Halogen

With Energy Saving at the top of everyone's list of priorities we are pleased to introduce the new Energy Saving Halogen Range.

The new Generation of Halogen lamps from the leading Manufacturers Philips and Osram have been designed to be a workable alternative for those who wish to save energy but Compact Fluorescent is not an option.

**PRODUCT BENEFITS : -**

- 30% Energy Saving compared with standard lamps.
- Fully Dimmable.
- Sparkling, crisp White Halogen light of professional quality.
